McBride School of Irish Dance Policies and Procedures 2018

Tuition: Tuition is due the first class of each month. A registration/policies and procedure form must be completed, signed by the parent and returned in order for the student to attend classes. Please complete a separate form for each dancer. Forms can also be scanned and emailed to mcbridedancers@gmail.com. All tuition payments should be made payable to "McBride Irish Dancers." Monthly Tuition not paid by the 10th of the Month will be subject to a \$15.00 late fee.

PLEASE NOTE: All personal information collected by the McBride School **WILL NOT** be shared with any third party for solicitation(s) of any kind. This privacy statement is to assure our Families that the McBride School follows all privacy rules on how we gather, use, disclose, and manage our customer's private information. If you have any questions, please contact us.

Insufficient Payments: The person financially responsible for tuition will be subject to an additional \$25 charge if payment is rejected, reversed or refused by the McBride School's financial institution. If you have any unforeseen financial issues, we ask that you please speak with us as soon as possible so that we can work with you regarding tuition payments.

Drop-in Classes: Tuition rates are set such that a dancer can attend one, two or more classes at a set fee. However, we do have a drop in class on Thursdays in our Dublin Location that is not part of the regular tuition. If a dancer wishes to drop-in for this class, the drop in fee is \$20.00 per student (\$25.00 for siblings) and must be paid in cash/check to the teacher at the beginning of class.

Dance Dress Code: Dance students are required to wear tee shirts (white or black preferred), black shorts or skorts and white socks. Appropriate dancing shoes should be worn for all dance classes, competition, performances and workshops. Brand New Beginners can wear sneakers, ballet flats or mary-janes for their initial classes. However, students should purchase ghillies (light shoes) or boys reel shoes by the time they are promoted to the Beginner 1 class. There are used shoes available within the school depending on size. We are happy to help you look for and obtain used shoes. We can also put you in touch with a local shoe vendor to buy new.

East Bay Feis: The McBride School sponsors the East Bay Feis every October. All parents and age appropriate dancers are expected, and agree, to volunteer at the Feis where ever needed. Volunteer opportunities will be made available for all to help. Running a Feis is a major undertaking and we cannot do it without the support and assistance of our families. If a family does not, or cannot, help out during the feis, they will be assessed a \$100 donation to help support the Feis.

School Notifications: The school will provide all information during class time, as well as sending notices via email that pertain to events, performances, upcoming competitions, workshops, school closures and the like. It is the responsibility of the parents and students to be aware of the School's communications. In addition, we will also post the information in our Members section of our website (www.mcbrideirishdancers.com), or on our Facebook Account, "McBride Irish Dance CA." Some reminders will be posted on our Facebook Page, "McBride Irish Dancers." However, email notification is our preferred and primary source of disseminating information. Accordingly, it is the responsibility of the parent or adult student to inform the School of any mailing address, telephone number or email changes as soon as possible.

Instructor Contact: Ann McBride, ADCRG can be reached at anniemcbr@aol.com; Eileen McBride Parker can be reached at mcbridechampion@aol.com; Aindreea Parker can be reached at aindreeaparker@gmail.com and the school's general email is mcbridedancers@gmail.com. Please do not speak with, or interrupt, the instructor during class. Instead, we request that you please email or text the instructor ahead of time in order to schedule a time to speak with them in-between classes, so as to not interrupt class time for ALL students. Thank you!

Illness/Absences: Dancing students should be in class at every opportunity if they desire to move up through the levels and be successful, both for themselves, and if they desire to compete. However, dancing students should not attend class if they are ill. Please notify us if your child will be absent due to illness. Please also advise us if your child will be missing class due to other activities, such as academic reasons, schedule vacations, family emergencies, etc.

Before and After Class: Please be aware that the McBride School is not responsible for providing before or after class care for students at our studio locations. Parents of students under the age of 5 should remain at the studio during the brand new beginner classes. Students should not be left at our studios for any length of time before or after their classes. It is also the responsibility of the parent to provide appropriate and adequate care for any siblings and/or non-student family members when at our studios.

Clean Studios: It is the responsibility of both the Students and Parents to clean up after themselves while in our studios, including, but not limited to, the cubbies, bathrooms, dance floor and any other spaces used during class. This specifically includes removing/throwing away tape, band aids, clothing, water bottles, etc. Please put all trash in the trash bins located by the studio doors and please do not leave your water bottles on the floors. In some locations we share with other Dance Organizations. Please be considerate as the studios are being turned over to those organizations who teach after us.

Injuries: Participation in Irish dancing may result in physical injuries. I/We understand and do hereby waive, release, absolve, indemnify and agree to hold harmless the McBride School of Irish Dance, the studio management, instructors and employees of the McBride School of Irish Dance, of any and all claims and actions, in law or in equity, arising out of any Irish dance related activity, including, but not limited to, activities in the studios, dance class, workshops, during competition and/or at McBride School performances.

McBride School of Irish Dance Policies and Procedures 2018

McBride School Code of Conduct: It is expected that all members of the McBride School will be respectful of each other, dancers, parents and teachers alike; in person, inside and outside of class, and on social media. Dancers should be attentive to the instructors, polite and punctual. If any parent has a problem with any instructor or any other family in the school, we ask that you contact us immediately so that we can discuss and resolve any issues.

Make-Up Classes: Make-up classes are allowed, including classes that are cancelled by the Instructor or not held due to local Feisanna. If you would like to attend a make-up class, please contact us at anniemcbr@aol.com, or mcbridechampion@aol.com to let us know which class/day/location you will be attending for the make-up.

Competition: The McBride School is accredited by An Coimisiun Le Rince Gaelacha (CLRG), also known as the Irish Dance Commission, Dublin Ireland. By joining our school, you and your dancer now belong to an accredited dance school which allows your dancer to compete at CLRG sanctioned Feisanna (competitions). Some children are very interested in taking part in competition, advancing through the different levels of skill, with the ultimate goal of reaching Open Championship. For those who want to compete, this path can be very rewarding. Dancers will only be considered eligible for competition if they have been attending classes on a regular basis. For other dancers, learning new steps, making new friends, and doing the occasional performance is equally as satisfying. It is always up to the individual dancer and family as to which path they want to follow. However, all dancers are expected to practice at home during the week to improve, no matter their ultimate goal in Irish Dance.

Performances: The McBride School is asked to dance at many events, including parades, festivals, libraries, corporate and private functions, and especially during the Month of March for St. Patrick's Day. Most performances are open to all qualified dancers. New beginner dancers will be advised by their instructors when they are ready to sign up and participate. Performing in public is not required, but can be a very fun and rewarding experience, especially for our younger dancers, and for those who don't wish to compete. Opportunities to perform will be announced by email and on our Facebook (McBride Irish Dance CA). Costume requirements for performances will vary by level of dancing.

Privacy Policy: The McBride School has a Privacy Policy to assure our customers/families that we follow all applicable privacy rules on how we gather, use, maintain, disclose and/or manage your personal information. When you register with the McBride School, your personal information will be gathered and stored. Please note, however, that at this time, the McBride School does not use any electronic system to store and use personal and financial information for electronic transfer of funds. Should the McBride School decide to do so in the future, we will use a separate secure database that will be managed through a gateway. We do not use or share your personal information for any solicitation purposes. We also comply with the Children's Online Privacy Protection Act (COPPA). Please go to our website to see our full Privacy Policy.

Photography/Advertisement Release: The McBride School utilizes photos taken at class, during competition and at performances for publicity purposes, and for use on our website, Facebook, brochures, posters, advertisements and/or any other promotional material utilized by the McBride School. In addition, the McBride School will never identify a dancer by name in any photograph used on our website or Facebook page. Accordingly, the McBride School is hereby granted permission to take photographs of the students to use in brochures, web sites, Facebook, posters, advertisements and other promotional materials the school produces and/or uses. Permission is also hereby granted for the school to copyright such photographs in its name.

However, if you do not want your child to be used in photos and/or advertising by the McBride School, as described above, you must complete the form below and return with your registration form.

I, _____, hereby notify the McBride School of Irish Dance in writing, as described above, that I do not agree with my child(ren)'s _____ image or photograph being used as described above for advertising purposes by the McBride School.
